VOL. XLIII — SONOMA, SONOMA COUNTY, CAL., APRIL 9, 1921 — NO. 32

VALLEY OF THE MOON CHAMBER OF COMMERCE WORKS FOR GOOD ROADS AND BOOSTS PUBLICITY CAMPAIGN FOR NORTHERN CALIFORNIA

TWO MEETINGS OF PAST WEEK FRAUGHT WITH VALLEY WIDE INTEREST. TELEGRAMS SENT LEGISLATORS IN REGARD TO HIGHWAY.

The Valley of the Moon Chamber of Commerce had two notable meetings the past week, the meeting on Friday night, April 1st, leading to a general conference between representatives from Sonoma valley booster clubs, Sonoma Business Men's Association and others interested in the proposed state highway between Santa Rosa and Shellville. It was decided at Wednesday's meeting, in deference to Glen Ellen and El Verano, who have put forward the merits of the route on the west side of the valley, to recommend that the State Highway Commission make an alternate survey passing through Glen Ellen and El Verano and that the merits of the new survey be carefully considered. A hearing befor the commission is to be arranged for.

At the meeting on the 2nd at Boyes Springs theatre Mrs. Eliza Shepard voiced the sentiment that the new chamber of commerce should be valley wide in its scope, and it was the consensus of the meeting that Mrs. Shepard's view was correct. All Sonoma booster organizations were therefore included in resolutions to that effect.

Messrs. Thos P. Boyd of San Rafael, R. G. Lichtenberg, J. Minges, Harry Speas, W. L. Murphy, Geo. F. Darling and Chas. Leonard addressed the meeting, which was presided over by President Lichtenberg and Secretary Blomgren. Mr. Leonard proved a clever imitator and comedian in addition to his gift as a monologue promotionist.

"Mayor" Minges highly praised the good work being done by Director Darling.

The B.B. campaign to advertise Northern California was endorsed and a telegram to that effect was sent to the San Francisco committee. Telegrams were also sent to Senator Slater and Assemblyman Fulwilder urging them to take up the paving of the Black Point cut-off with the State Highway Commission in the interest of the Valley of the Moon Chamber of Commerce.

Among those present at Wednesday night's meeting were Judge Justi, Steve Prout, Mrs. Shepard, A. W. Weaver, Louis Lamotte, Chas. Danieli, W. F. Clewe, Ralph Hotz, Dr. Butler and many Boyes Springs folks.

Following are copies of the telegrams sent to the San Francisco Boosters' Club, Senator Slater and Assemblymen Fulwilder and Stevens:

Boyes Springs, Cal., Sonoma County, Cal., April 2, 1921.

The Boosters' Club (for a Greater Northern California, San Francisco, Calif.:

The Valley of the Moon Chamber of Commerce, representing the entire Sonoma valley, with a population of several thousand people, has heartily endorsed, by resolutions, the Boosters' Club of San Francisco and the movement for a greater Northern California.

E. BLOMGREN, Secretary.

Boyes Springs, Cal., April 2, 1921.

Herbert W. Slater, State Senator, Lucien E. Fulwilder and A. F. Stevens, Members of Assembly, Sacramento, Calif.:

Valley of the Moon Chamber of Commerce, reperesenting 3000 voters, urges you to call on highway commission for immediate work on Black Point cut-off. They promised to begin work in March. Nothing done yet.

VALLEY OF MOON C. C.
By E. Blomgren, Sec.

SONOMA'S FRENCH LAUNDRY CHANGES HANDS

Mr. and Mrs. A. Rouquette, who for some years have conducted the Pioneer French Laundry in Sonoma have sold out to P. Lembeye of San Francisco. Mr. Lembeye and wife have already taken possession and will conduct the business in the future.

Mr. Lembeye is no stranger here, being a brother of Mrs. P. Bidou, formerly of the French bakery in the Castex building. He owns the former Boggiano place and has often visited here.

Customers of the laundry will find Mr. Lembeye a courteous and obliging business man, and can depend on him to turn out first-class work.

The former owners of the laundry Mr. and Mrs. Rouquette, will remain in Sonoma until their two attractive children have finished school here this term. They may then go to into the apartment house business in San Francisco.

WEDDING BELLS FOR FATHER TO FOLLOW DAUGHTERS' NUPTIALS

Following close upon the marriage of his two laughters, wedding bells will ring out for Americo D. Chelini on Sunday. Rev. Father Byrne will unite Mr. Chelini and Miss Dorothy Zampa in the holy bonds of matrimony. Mr. Chelini is the obliging teamster for the Mission Lumber company and has a host of friends in the valley who will wish him and his bride much happiness. The bride and groom will reside in El Verano after their honeymoon.

Mrs. Altimira, who has been in San Francisco several weeks at the bedside of her daughter, who had undergone a capital operation, is expected home very shortly. The Altimiras bought the Husson place and are the wel-known Spanish caterers and makers of tamales and enchiladas.

BOY DRIVING AUTO TURNED OVER TO PROBATION OFFICER

Wilfred Cohen of Agua Caliente, who drives the high school jitney, has been remanded to the custody of Probation Officer Plover following an accident in which the young driver ran down the children of Mrs. Peterson of the Boyes Springs Bottling Works, near the Flowery school. The children darted across the road as young Cohen was coming along at about twenty miles an hour, so he declares. Officers believed he was driving too fast in the vicinity of the school and as one of the Peterson children had to be taken to the Crane sanitarium, Cohen was taken into custody. It is said that the youngsters had a narrow escape, but were not seriously injured.

BUSINESS MEN'S ASSOCIATION VOICE PROTEST AT MEETING

At a meeting of the Sonoma Business Mens Association last Monday night it was decided to urge action on the street paving program and a committee was appointed to wait on the Board of City Trustees and recommend that bids be advertised for and that Sonoma's streets be improved without further delay.

The matter of the refusal of the city trustees to permit the new fire engine to be taken outside of town when there is a fire in the outskirts was alse discussed and the Business Mens sentiment was that the Engine should go when called for within any reasonable distance of town. They decided to ask the Trustees to amend any ordinance which prevents the engine going out and to do all they could to get protection for those beyond the town limits.

The fallen trees in the plaza came in for some adverse comment and it was the opinion of the organization that the city dads should clean up the obstructions.

A booster banquet was discussed and a committee appointed to arrange for a fine gathering with representatives to be invited from all booster bodies of the valley and noted speakers from outside.

Miss Florence Robin, daughter of Paul Robin, has been visiting relatives in San Francisco during her school vacation.

Mr and Mrs. Walter Gaines and daughter of San Francisco have been recent guests at the home of Mrs. Gaines' sister, Mrs. Geo. Breitenbach Miss Gaines, the daughter, is a teacher in the San Francisco schools.

FIRE SUNDAY MORNING DOES MUCH DAMAGE

Tank House Destroyed on Rotenburg Place, Formerly Dobbel's Ranch Residence, Has Narrow Escape.

At 3 o'clock last Sunday morning the Rotenburg family was awakened by the crackling of fire, and looking out saw the tank house, within a short distance of their home, ablaze. A high wind was prevailing at the time, and fearing the spread of the flames to the residence, help was summoned to fight the fire and confine it to the outbuildings. Neighbors rushed to the scene and gave aid, and an unsuccessful attempt having been made to get the fire engine from Sonoma, the chemical at Boyes Springs was summoned and promptly responded. As a result the home was saved, although the tank house and its contents was a complete loss. Several hundred dollars' worth of groceries, canned fruit and implements, etc., were destroyed.

The residence was cleared of every bit of furniture, but the fire fighters good judgment and a fortunate change in the direction of the wind kept back the flames and the family were able to return to their house and get settled again after danger had passed.

The early morning was freezing cold, but despite the hour and weather the dependable fire laddies from Boyes Springs were on the job, and their prompt response was greatly appreciated.

The chief and other volunteer firemen suggest that when they are called out at night from their warm beds to fight fire that a cup of coffee or something to warm them up would not be amiss. In time of excitement this is apt to be overlooked.

POULTRY ASSOCIATION THREATEN TO CARRY CASE TO HIGHER COURT

The Poultry Producers of Central California evidently intend to continue prosecution of the cases of D. Colli and Theo. Pierson, decided in favor of the Sonoma farmers by both Judge Denny and Judge Thompson. Colli and Pierson answered the suit to compel them to pay damages for selling eggs to anyone but the association, and after a three-day session in court the case was submitted on briefs and decided in favor of the Vineburg residents. The association sought a new trial, but it was denied by Judge Thompson.

The following developments in the case are quoted from a Santa Rosa paper of Thursday:

Notices to the clerk of the Superior Court to prepare transcripts of testimony in the suits of the Poultry Producers of Central California, Inc., against D. Colli and against Theodore Pierson, were filed in court Wednesday, as the plaintiff intends to appeal from the judgment entered against the corporation in recent trials here.

Wm. Silva of the Jones ranch, who has been quite sick for some time past, is gradually improving at the Crane sanitarium and is now able to be ont in his wheel chair.

Chas. Whitmore was down town in his wheel chair this week and was greeted by many friends. Mr. Whitmore retired from business some time ago on account of his health.

The Cameron brothers are to take in the athletic contests at Berkeley today. One is a student at U. C., one at Davis and Jim is still in high school here.

VETERAN OF RECENT WAR PASSES AWAY

Milton Sobbe, Who Lost Arm in Argonne, Dies Suddenly at San Francisco Home. Mourned by Old Schoolmates Here.

John Milton Sobbe's home-coming after the war and the joyous welcome he received when he arrived from overseas minus an arm, but because of that all the more honored and revered, was destined to be but joy and pride of short duration, for the over-seas war here died in San Francisco Sunday afternon. Glen Ellen and Sonoma Valley in general were shocked at the news and on Wednesday the flag on Sonoma's city hall was at half mast in honor of the young soldier.

Milton Sobbe was given a great ovation at his leave taking for war and was among the first to go to France. He served as a sergeant of H company, 363rd infantry, and while marching with his detachment was struck by shrapnel and lost his arm. News of the casualty caused his aged parents and friends grave concern, but word of his recovery and subsequent home coming submerged all feeling but the intense pride in Glen Ellen's splendid young patriot. He himself was radiant with the joy of having served his country in the great cause of humanity and showed little signs of the hardships he had gone through. He resigned himself to his crippled state and took an active interest in rehabilitation work. He was organizer and first president of the Disabled War Veterans in San Francisco at the time of his death.

Besides his parents, Mr. and Mrs. Sobbe, the deceased soldier leaves two brothers to mourn his untimely death. A treasured keepsake of the family will be the handsome diamond-set medal presented to the young hero by the Glen Ellen Woman's Club at a reception given in his honor upon his return from war.

Many Sonoma valley friends attended the funeral services in San Francisco Wednesday, which were conducted by the Disabled War Veterans organization, with Rev. Father Galvin, the ex-army chaplain of the 363rd infantry, officiating.

The sympathy of the community goes out to the father and mother bereft of this idolized son.

Sobbe was buried with full military honors. The streets between the late home of the deceased and the cathedral were cleared by police as the cortege, with guard of honor consisting of the Disabled War Veterans and American Legion members, made its way to the church, where a solemn requiem high mass was celebrated. At the cemetery a volley was fired over the grave and a comrade sounded taps for this Sonoma valley boy who had served his country with honor and distinction. The floral pieces which covered his last resting place bespoke the love and esteem of friends in all walks of life. Mayor Rolph sent a floral piece as the city's tribute, and in addition tomany other beautiful pieces was one from the N. S. G. W. of Glen Ellen, one from former friends in Sonoma and one from the small boys of the neighborhood where the Sobbes had been living, who regarded the one-armed veteran of the war as their own hero. The latter piece bore the inscription, "Playmate," and was generally commented upon.

Among those from Sonoma who attended the funeral were Miss Gladys Small, Miss Eileen Cowen, Hazen Cowen, Mr. and Mrs. Cereghino, Henry Chauvet, Chas. Poppe, Chas. Pagani, Julius Pancrazi, Mrs. Edrington and daughter, Mr. and Mrs. Wm. Craib and others.

RED MEN TRIBES TO DANCE APRIL 10TH

Sonoma Tribe and Bear Flag-Pocahontas to Give Ball at Woman's Club House.

There will be a grand time on April 16th when the tribes of the United Order of Red Men assemble at the Woman's club house for the grand ball scheduled for that date. The Bear Flag-Pocahontas daughters are busy arranging for the big time. Music is to be furnished by the "Syncopated 4" and the jazz band makes its first professional bow to the public at this affair.

The local lodge of U. O. R. M., including the sister lodge, have a reputation for hospitality and everyone is assured of a good time. The dance promises to be one of the best attended of the year.

AGUA CALIENTE HOTEL LEASED BY T. H. CORCORAN

San Francisco Business Man Has Already Taken Possession of Big Mineral Springs Resort Formerly Conducted by Mrs. Richards.

T. H. Corcoran, prominent San Francisco business man, has leased the Agua Caliente Springs hotel and mineral baths and will conduct it this season. Mr. Corcoran is preparing for many guests and plans many new and up to date features at the hotel and baths. He is a clever business man and has a wide acquaintance. For many years he has been acquainted with the Richards and is familiar with the property he has taken over.

Mrs. Richards retains the cottages and original site of the old hotel and will open a dining room and cabaret in connection with the cottages. "Richards," as the new resort will be known, will be entirely separate from the big hotel conducted by Mr. Corcoran. Mrs. Richards wishes the new proprietor much success, and in taking over the smaller resort takes a less responsibility and will earn a deserved rest after an uninterrupted business career of twenty years.

Through an order of the Railroad Commission A. E. Joscelyn of Boyes Springs became the owner of the Sonoma Vista Water company, which he has purchased from O. Fitzgerald. An option on this property is held by the Durham water merger people.

Harley P. Mathewson, formerly of this valley, is now located in Washington, D. C., where he is president of the Southern Securities company. His second wife died some time ago and he is again a widower.

Don't forget Arpil 16th.

CITY TRUSTEES DECIDE TO ADVERTISE FOR BIDS FOR PAVING SONOMA'S STREETS AT REGULAR MEETING WEDNESDAY NIGHT

OTHER IMPORTANT MATTERS UP BEFORE THE BOARD FOR DISCUSSION AT REGULAR MARCH SESSION OF BOARD

The presence of a citizens delegation at the City Trustees meeting Wednesday night to urge action on our street work was not necessary, for the board, upon recommendation of Howe and Peters, consulting engineer, decided to advertise for bids at once, Mr. Howe declaring that he thought better bids would now be received than last year and that with the expected state aid he believed all our street program could be completed. He explained that the trustees had delayed in order to get better prices and in hopes of getting a favorable report on their request for state aid, but that the time was now ripe to proceed. Mayor Dol Poggetto gave the business men a chance to speak on the street proposition, but after the above action W. L. Murphy stated, in behalf of the delegation, that action was all that was wanted and that the procedure was satisfactory.

Permits were granted to J. G. Marcy and W. F. Clewe to make repairs and alterations on their property. Mr. Clewe will remove the awning from his building.

J. H. Albertson asked for compensation to act as City Health Officer.

The Marshal's report, totaling $18.22, was referred to the finance committee. The Recorder's report showed $30 coming to the city from fees.

The high school asked permission to change the street grade to drain their playground properly. It was granted.

Surveyor Specht drew plans which he submitted for a sewer on Fourth street east. A motion prevailed to put in the sewer by day labor and to expend $300.

Mr. Specht reported progress on the new road in Mountain cemetery. A good grade has been established, two turntables built and a road with an entrance on the back street provided, making entrance and egress to the silent city much better than formerly. Three hundred dollars was allowed by the board to the cemetery fund.

The trustees purchased the 50 feet of fire hose which came with the new engine at the price of $1 per foot.

The responsibility for the refusal of the fire engine to go to the aid of a property owner just outside of the city limits was shouldered by Trustee Breitenbach and his colleagues, who explained that an ordinance was once passed prohibiting it. Mr. Breitenbach claims that the Board of Fire Undrwriters would not pay any loss in the city should a fire occur here while the engine was absent! The Business Men's Association requested that something be done about it, even going so far as to offer to take back custody of the engine, which was purchased by popular subscription and presented to the city. Trustee Breitenbach said the engine was "wished" on the city. The business men, believing no organization as permanent and responsible as the city, thought it the best custodian of the engine and presented it with the understanding that it was to be properly housed and cared for. Garry Bertoli, chief engineer of the fire department, reported that the engine was not being properly looked after. He also called the attention of the board to the need of fixing the fire bell, and after a lively tilt succeeded in getting authority to have these matters attended to.

W. F. Clewe and Ed Lindley called the attention of the fire and water committee to the condition of fire hydrants and the scarcity of 4-inch connections in town.

OFFICIAL VISITOR TO DRUIDS HONORED WITH BANQUET

Chief Commander Enos of San Francisco made his annual official visit to Sonoma Grove, A. O. U. D., Saturday evening. After the meeting and review of the work, the local Druids gave a banquet at the Fior d'Italia hotel in honor of the visitor. About twenty guests were present. An excellent menu was prepared by John Decanini and declared a fine banquet by the Druids, all of whom are real judges of "good eats." The visitor was much pleased with the evening in Sonoma and the flourishing condition of the Grove.

Installation of new officers will be some time in May.

Stork Arrives at Sanitarium

The stork paid a visit to the Crane sanitarium this week and left a little son for Mrs D Lake of Glen Ellen and a little daughter for Mrs. Burger, also of the Glen. Mrs. Reed, the nurse, reports the babes and mothers doing nicely.

Don't forget April 16th.

SONOMA'S ATTITUDE TOWARD IT'S NEIGHBORS.

SONOMA, the nucleus around which the beautiful Sonoma valley is situate must be the good neighbor to the people on the outside if she wishes to maintain pleasant and profitable relations with them. The community must exert itself along the lines of service and courtesy and keep in mind the fact that other communities are continually catering to the territory from which we draw our trade. If the right attitude is apparent and people come to recognize that Sonoma aims to please and is on the job to cater to the valley people, our town will forge ahead and prosper.

Not only in business matters must Sonoma show the right spirit, but socially also. The community should extend a friendly hand to the stranger within our gates. Nothing makes the new-comer so loyal to the town as responsiveness at the time when he needs it most.

We believe the attitude of the community toward our neighbors is of the right sort but it is sometimes mis-judged. For instance the recent refusal to take the new fire engine out of the city limits to help save property just out of town. This was not in accordance with community sentiment by any means but was due to a narrow iron-clad policy of the city authorities and was at once vehemently protested by the Business Mens Association and everyone who donated to the purchase fund. The engine was not bought by the city with any municipal funds. Public subscriptions bought the engine and those who gave to it were actuated by the impulse not of self protection, but of providing a means of helping their neighbor in an emergency. There is no law above the law of right and the city authorities must come to see that Sonoma will suffer if her officials set a higher value on the rigid enforcement of some ordinance than on the good will of our neighbors.

If the ironclad policy which governs insurance matters cannot be adjusted by the city, the custody of the fire engine which the people's money bought in the broad spirit of helping anyone in a fire emergency within a reasonable radius, should pass into other hands. Sonoma cannot afford to suffer by the contrast of spirit evidenced at Boyes Springs where the fire engines have responded to every call and have lived up to the true meaning of the word service. The people of town do not intend that it shall.

THE WET VOTE IN CALIFORNIA

THE FIGURES compiled by the Secretary of State on the wet and dry vote in California indicate that according to senatorial and assembly districts, the people voted wet by decided majorities. This refutes the oft repeated statement of the drys that only San Francisco kept California in the wet column when the question was refered to the people. San Francisco evidently helped and had a right to do so, for whether people live in the city or the country, if they are voters, their voices must be reckoned with. All the people evidently favor light wines and beer in California. The minority however would have it appear differently, but with the facts sifted by the secretary of state, chaff and camouflage are being thrown to the winds and discomforting facts are confronting the professional reformers and putting backbone into some hypocritical legislators who have been trying to carry wine and beer on one shoulder and water on the other.

SOMETHING IN STORE FOR OUTSIDE WORLD

LET US POOL OUR progressiveness and make the Valley of the Moon Chamber of Commerce one of the best boosters in the B.B. campaign. This campaign to boost Northern California is one of the most splendid movements ever projected. The latent spirit has seemingly burst into bloom all over the bay counties and we'll tell the world right now that there are some of the biggest surprises in store for folks abroad hitherto in ignorance of Northern California charms and resources that have ever come to them. There has never been released a more wonderful gift to man than that Northern California boosters are preparng. That it will shake up the geography of the state there is no doubt.

A SHORT CUT TO THRIFT

IF YOU WANT bargains and good buys, encourage the advertisers by patronizing them and telling them that you read their ads. The next time they have something to offer, they will continue to let you know through the newspaper. Display ads and the classified column are of great utility to everyone. Read the ads, encourage the advertisers and reap the benefits of this short cut to thrift. If you read it in the Index-Tribune, please mention our name.

GIVE 'EM A RATTLE AND LET THEM BOOST

PETALUMA and Santa Rosa are to stay in the same cradle, so report comes from Sacramento, where the enabling act to divide the county was up for consideration. Good enough, these two lusty infants have been fighting a'plenty—about time they were made to behave and to boost. Petaluma got too precocious and Santa Rosa too self centered. Both are good qualities if rightly applied. We need precociousness to forge ahead, and pride in Northern California. Let us merge all our best qualities and scrap the bad ones.

DR. NORDIN, ONE-TIME OWNER OF CALIENTE, HEARD FROM

Dr. J. A. Nordin, who some twenty years ago was the proprietor of Agua Caliente Springs and one time figured in sensationa litigaton over the property, has been heard of. He is residing in Richmond, Contra Costa county, and has been a helpless invalid for over four years. His present wife has had a letter written to this newspaper making inquiry in regard to the status of the case in which he was a principal.

Dr. Nordin came to Sonoma with a rich widow of Alameda county, whom he married there, and interested her in starting a big sanitarium at Agua Caliente Springs. After spending over $20,000 on the property the dapper physician persuaded his rich wife to deed the place to him and after getting it in his name decided to separate from her. Sensational allegations were made by the abandoned wife and she finally went to court to recover the property, which she claimed Nordin' got her to deed over fraudulently. Nordin was compeled to return the property, which had been in the hands of a receiver. It was badly involved and Mrs. Nordin finally turned it over to a financier named Deane, who subsequently disposed of it to Mr. and Mrs. Theodore Richards. Dr. Nordin left here and dropped out of sight. Mrs. Nordin died at a Sonoma sanitarium in 1907 and when her affairs were settled proved to have had but little left of her one-time fortune. Her estate was probated and settled in the courts of this county. Lots she owned in British Columbia had defective titles and were sold for taxes and to pay the cost of her last illness and death.

Prior to meeting the doctor, Mrs. Nordin had willed her property and money to her sister-in-law, Mrs. Dornan, and her daughters, Doris and Marjorie. She was a sister of Mrs. Dornan's husband and came from a fine family of British Columbia.

News of Dr. Nordin and his predicment is a closing chapter in a sensational case which stirred bay county social circles, as it was aired in the courts here some years ago.

Jesse and Frank Burris returned from a business trip to Kings county the first of the week.

Mrs. Hays will entertain the ladies of the Congregational church next Tuesday.

Mrs. Wardell is coming from Southern California and will occupy the bungalow of Miss Florence Murphy on Patton street. Miss Murphy and Mrs. Wardell will both live there.

HARRY BURMEISER ENTERTAINS

Harry Burmeister entertained the Honor Society of the high school, of which he is president, last Friday night.

The El Verano home of the young host was beautifully decorated for the party and the packing house canvased for dancing. Here amid the glow of lanterns and festive decorations the young folks tripped the light fantastic.

Supper was served in the spacious rooms of the Burmeister home, the tables set with the daintiest linen and beautiful china and each table having a graceful red tulip as a center piece. The menu consisted of grape fruit salad and saltines, creamed oysters in patty shells, cream cake, coffee and confectionery.

The party was greatly enjoyed by all who attended and young Burmeister and his mother were much complimented on the affair.

Notice to Bidders

Notice is hereby given that bids will be received up to Wednesday, April 20, 1921, for the taking down of the steeple of the Methodist church. Plans and information may be had by applying to Rev. W. Burchette at the parsonage.

St. Francis Benefit Decided Success

Union hall drew a capacity crowd last Saturday night to the vaudeville show and dance for St. Francis church. A clever vaudeville bill, of which singing, dancing and monologue were features, pleased the large audience. Eddie Healy of San Francisco kept the crowd highly amused with his specialty and all the other acts were well received. Dancing followed the show and the ladies of the parish sold refreshments.

I. O .O. F. Dance Tonight

At the Woman's club house this evening the Odd Fellows will give a dance which promises to attract a fine crowd.

An augmented orchestra, under the direction of Frank Knolle, will furnish music of the latest approved dance hits, and the Rebekahs are to serve home-made ice cream, cakes, sandwiches and coffee.

Sociability and hospitality will be the watchwords and the lodges can be counted on to live up to their former fame of giving their guests a royal time.

MAJORITY VOTES AGAINST "DRY" MEASURE IN CALIFORNIA

SACRAMENTO, April 4. — Secretary of State Frank C. Jordan has compiled a statement of the vote on the prohibition issues for the elections of 1913 and 1919 according to legislative districts, showing that 28 out of the 40 senatorial districts carried a majority against "dry" measures, and that 50 of the 80 assembly districts defeated the same proposals. According to these figures the California legislature woud be overwhelmingly "wet" if the members would carry out the expressed wishes of their constituents, but in several districts the men elected have contrary opinions to the recorded vote cast.

In view of the efforts of proponents of both "wet' and "dry" measures in the p resent session these figures are rather interesting in checking up the votes of the members with the votes of their districts. The advocates of more stringent enforcement of the Volstead act are seeking a state law similar to the so-called Harris act defeated last November, while those asking a modification of the act of Congress enforcing the 18th amendment are endeavoring to secure a resolution memorializing Congress to permit the manufacture of light wines and beer.

The Assembly has already gone on record in favor of light wines and beer, but the resolution addressed to Congress is being held in the Senate, where there is some question of there being sufficient votes to have it carry.

The "Yes" and "No" of the people in 1918 and 1920 in the district of Senator Slater was as follows: 8th Senatorial district, Sonoma, yes 3590, no 7358; yes 5692, no 8622.

The same measures failed to carry in the Assembly districts of Stevens and Fulwilder, as follows: 12th Assembly district, Sonoma, yes 2102, no 3874; yes 3275, no 4303. 13th Assembly district, Sonoma, yes 1488, no 3484; yes 2417, no 4319.

MOVIE PLAY FILMED IN SONOMA PROVES INTERESTING

Sonoma was all a flutter this week by the appearance here of "The Midlanders," a moving picture play filmed here last year by the Bessie Love company. The plaza, city hall, business blocks and other familiar scenes used as the setting for the play whose action was supposed to take place in Rome, Iowa, were of particular interest, but most of those who crowded the Don Theatre Monday, Tuesday and Wednesday nights went to see the local folks who were in the picture.

City Marshal Albertson had a real part in the play and received a big ovation as he appeared in the jail scene.

The part of the story filmed in front of the Rome "News" office (Aguillon building, west side of plaza), revealed many familiar faces among them. A. Froment, Ged. Breitenbach, Ralph Hotz, Judge Campbell, Mrs. W. B. Hays, Mrs. Raph Hotz, Mrs. Z. Lane, Mrs. S. Batchelor, Miss McDonnell and others.

Miss Bessie Love, who endeared herself to Sonomans while here, was warmly greeted by the audience as she repeated the actions on the screen which became so familiar to those witnessing the picture in the making here last spring.

"The Midlanders," while having a disjointed plot, is interesting, and in some of the scenes Bessie Love looks and acts her best.

Manager John Mohr of the Don theatre deserves much credit for his enterprise in securing the picture so soon after its release.

Steve Anazitos of Steve's Grill Boyes Springs has gone to Arizona for his health. Steve has been ailing for some time past. The restaurant is being conducted by relatives of his.

N. W. P. STEEL BRIDE AT WINGO SPLENDID STRUCTURE

The replacement of the 129-foot swing timber drawbridge at Wingo, with a single leaf bascule steel bridge of a 50-foot clear opening is the largest bridge renewal work done since the Duncan Mills job. Work was first begun in August 1919, when a parcel of land was purchased to align the track to the new location, twenty feet on the down-stream side of the old bridge. The track approaches were placed, and a temporary track put in to handle the storing of the steel, which arrived in March, 1920. Since then little work was done until December, and during January the installation of the steel was commenced. The enormity of the work can be easily seen, for 174,000 pounds of iron and steel, 47,850 feet, board measure, of trestle, bridge and form lumber, 159 piles and 1250 sacks of cement are to find a permanent home in the structure. Since a new location is being used, and it is necessary to utilize the old structure until completion, not a tie or rail which is second hand will be placed.

The foundation consists of cylinders sunk in the mud, which are then pumped or dug out and filled with concrete. On this is placed the "Scherzer Rolling Lift Bridge," accommodations for highway vehicles, and a reinforced concrete counterweight, which accurately balances the leaf. Accuracy and engineering perfection typifies the whole construction. "Permanence," the watchword of the builders. The teeth of the pinions shall engage the teeth of the operating tracks with no variation of more than one-thirty-second of an inch; piles are to be driven until a 3000-pound hammer falling ten feet fails to move them half an inch; concrete test blocks to be made to insure the strength and appropriateness of the mixture. Piling tests have been made on the approach of the old trestle and evidences of teredo have, unfortunately, been found, which made necessary the treating of the new trestle piling with a preparation to make it less palatable to the scourge. The work is being done by the Mercer-Fraser company, a contracting firm.

Another large project under construction is the renewal of the approaches to the Black Point drawbridge. This is chiefly a piling job with the replacement of the trestle deck. With the operation of the wood-borer, now so extensive, every effort has been made to make the structure safe from their destructive influence. Two hundred and fifty-four piles, or 25,587 lineal feet, have been treated at a cost of slightly more than 24 cents per foot.—N. W. P. Headlight.

COUNTY OFFICIALS MAY GET MORE SALARIES

The county government bill to be enacted by the legislature provides an increase of salary for Sonoma county officials and some of their deputies. The county treasurer, Mr. Ramage, is to receive $2500 per annum instead of $2000. The auditor, Chas. Pool, is slated for $2700 and his deputies and copyists all get an advance.

County Recorder Snyder is advanced to $3000, with increases for office force. Sheriff Boyes is to be raised from $2000 to $2500 per year and Deputy Sheriff Joe Ryan from $75 per month to $100. The others of the sheriff's office also come in for a raise. Judge Vaughn is down for $2100 instead of $1800. Other justices of the peace are not to be raised. The last grand jury recommended many of these increases in order to assure greater efficiency, to keep good public servants on the job and to make the salaries consistent with the present cost of living. There has been no salary changes for the official family in many years. Ben Ballard, school superintendent, will get $3000 instead of $2000. District torney Hoyle gets no raise, but his deputies and stenographers, including J. W. Ford get a small increase. Coroner Phillips gets no increase, but is provided with a stenographer at $600 per year.

CLUB NOTES

The business meeting of the Woman's Club, held Friday afternoon, April 1st, was largely attended.

Miss Stofen outlined the year's program, and it was accepted.

The much-needed light in front of the club house was brought up for discussion, also the work on our streets. Committees were named and asked to cooperate with the Business Men's Association.

The new community property law was endorsed.

The call to the district convention at Salinas on April 27-28-29 was read and the following were elected: Mrs. Stein, Mrs. Burlingame and Mrs. E. Clements as delegates and Mrs. Wicker, Mrs. Adler and Mrs. Koeboom as alternates.

Mr. Drury will give a free illustrated lecture at the Woman's Club House on Friday evening, April 29th. His subject will be "Save the Redwoods." Everyone is invited.

The next social meeting will be held April 15th. Miss Florence Murphy will have charge of the program. Wild flowers will be the topic of the afternoon, and Mrs. Campbell of Mill Valley, authority on wild flowers, will talk. As Mrs. Campbell must return to her home on th afternoon train all are requested to come early.

CLUB PROGRAM FOR 1921

The following ladies of the Sonoma Valley Woman's Club will act as program directors and hostesses for the year 1921-1922:

The topics chosen should provide an unusually fine treat each meeting for the next few months.

Ford

THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3½-inch tires front and rear, for every day in the year has no equal as a family car. Just as popular on the farm as it is in the city. In fact, it fits the family demands in every vocation of life. Large, roomy seats, finely upholstered, plate glass windows make it an open car in pleasant weather, while in rainy and inclement weather it becomes a closed car, dust-proof and rain-proof. It is not only comfortable, but really cozy, and above all, economical in operation and maintenance, and has all the Ford merits of strength and durability.

VINEBURG NEWS

Mr. G. McKallop of Petaluma, an old pioneer, was the welcome guest of his old friend, R. B. ("Dick") Thomas on Wednesday last.

Mrs. Fred Batto and daughter, Miss Louise, were the guests of San Francisco friends this week.

Miss Adele Andrieux (Della), the young bookkeeper and cashier of John Batto & Sons, was the recipient of many best wishes and handsome presents on her birthday, April 7th.

Mrs. Robertson (nee Dorothy Glaister) and daughter are at present the guests of Mr. and Mrs. R. B. Thomas.

Mrs. Warren Reynolds and daughter Hazel returned to their home in San Jose on Sunday last after a pleasant weeek's visit with her parents, Mr. and Mrs. R. B. Thomas.

Happy Louis Bosch of Vallejo was the week end guest of his parents, Captain and Mrs. Bosch.

Attorney Fred Sprague, one of Sonoma county's leading lawyers, accompanied by his mascot, "Joe," transacted business in this vicinity Tuesday.

Mr. August Figone, a well-known business man of San Francisco, was the guest of Mr. and Mrs. John Batto on Thursday last.

The handsome home of Mr. and Mrs. Edmund Bacher, on the Hyde tract, was brightened on March 31st by the arrival of a bright young native son. The happy mother and son are doing nicely and the proud father goes around singing "Papa's Baby Boy, Mamma's Only Joy." That's all right, Edmund.

The receipts of grain and mill feed at Battos store the past week were six cars containing about 3000 sacks Who says Sonoma valley is not in the poultry game?

EASY JIM.

The Lynwood place at Buena Vista has been sold to S. H. Slitano of San Francisco through the agency of W. W. Carter.

Mr. and Mrs. E. E. Pollock, formerly of Ukiah, have purchased a five acre place at Buena Vista. Mr. Pollock is a photographer and may start a studio here.

Card of Thanks

We desire to express our thanks and appreciation for words of sympathy and condolence offered in our late bereavement We are also most appreciative of the beautiful flowers sent.

Chas. Champlin and Family.
Mrs. Grace Reynolds.

Miss B. Lantz, field worker at the Sonoma State Home, is visiting in Sacramento this week.

Misses Freideger were up last Saturday from San Francisco to attend the St. Francis benefit.

Mrs. Dan Freideger and Mrs. Hazelworth of Glen Ellen attended the Sobbe funeral in San Francisco Wednesday.

DESPERATE FIGHT FOR LIFE OF LITTLE BOY

The little 9-year-old son of Mr. and Mrs. W. R. King of Boyes Springs has been dangerously ill with diptheria. A desperate fight for his life was made by Dr. Hays of Sonoma and Dr. Temple of Santa Rosa when they found that the case was so developed that the anti-toxin treatment did not work rapidly enough! In order to save the child's life a silver tube was inserted after the throat had been opened up and the malignant memberane cut away. The patient responded to the heroic treatment and on Tuesday was resting comfortably.

The boy is the son of the well-known garage man of Boyes Springs.

Don't forget April 16th.

Mr. and Mrs. P. Lembeye, Mr. and Mrs. F. Lambert and Messrs. Ducournau and John Pluth motored to Mendocino county last week and enjoyed a fine outing Mrs. Lembeye is recently from France and greatly enjoyed seeing this beautiful Sonoma-Mendocino section of California.

The Sonoma grammar school will reopen the coming Monday.

Louis Lamotte of El Verano Villa has purchased a special Studebaker six through the agency of the Riverside garage at El Verano. Louis, the pioneer resort man of his locality, deserves the best and his friends are hoping to see him piloting his new car over that highway we have coming to us in Sonoma valley in the near future.

MOSSO HAS AGENCY FOR THE "STRADIVARA"

F. Mosso, the jeweler, has the agency for the "Stradivara," one of the finest toned instruments for the reproduction of records on the market. The music of the "Stradivara" is commended by critics, and anyone desiring to hear it played can now call on Mr. Mosso, who will demonstrate it.—Adv.

CARD OF THANKS

Mr. and Mrs. Wm. Sobbe wish to thank their many friends in the Sonoma valley for the kind expressions of sympathy and beautiful floral tributes in their late bereavement.

San Francisco, April 6, 1921.

Paul Rambo, a young army man attached to the Letterman hospital, San Francisco, has been up on a visit to the Rambo family here. Rambo and W. L. Murphy met coming from the east and it was then that the soldier learned of his father's relatives in Sonoma. He came up and met them for the first time last Saturday. The soldier saw service overseas at a first aid station at the front with the second division..

Mrs. Gardener was here this week visiting her son, Neal Dodge.

MRS OTTO MUSER DIES AT SAN FRANCISCO

Mrs. Otto Muser, who with her husband one time owned the ranch now the property of E. J. Harris, died this week in San Francisco. She was a sister of Mrs. F. Ehrlich, formerly of this valley.

Mr. Muser died several years ago.

SPEEDWAY RACES HERE IN JULY

Word comes from Santa Rosa that the speedway construction program for Sonoma county is an assured fact. Work will begin, and following the summer meet at Tacoma there will be Grand National Circuit races here in July.

Progressive citizens of Sonoma valley continue to sign up for life memberships. Among the latest signers are Messrs. Chas. Pagani, I. B. Hayter, Geo. Lowell, three Millerick Brothers and J. K. Bigelow.

Notice

The public is asked to immediately clear the streets and give the right of way to the fire department in case of a fire alarm. Give the exact location of the fire when you turn in the alarm.

CHIEF OF THE SONOMA FIRE DEPARTMENT.

Wedding bells will ring out in the near future for a prominent young overseas war veteran. He has had had many a close shave with Cupid, but this time the little God of Love has won out. A belle of Alameda is said to have captured the Sonoma boy.

"Anderson" Auto Supplies. Vineburg

BASAGLIA'S LITTLE DAUGHTER OUT OF DANGER

The many friends of Mr. and Mrs. P. Basaglia will be pleased to learn that their little daughter is now out of danger. She was rushed to the Santa Rosa hostpital last week after her appendix had burst and was in a critical condition for several days.

Mr. and Mrs. Rochambeau of Glen Ellen have sold out their poultry farm at Glen Ellen. Mrs. Rochambeal has been one of the most progressive members of the Glen Ellen Women's Improvement Club and her ardent work in behalf of the Jack London memorial has been highly regarded by her co-workers in the organization

V. Levroni, of the Snyder ranch, has bought 30 or 40 head of stock from E. Tomasi, who had the Lawler ranch leased.

John Watt, former Shellville boy but later of Oakland is now agent for Rainier beer in this territory and makes his home at Santa Rosa, where he and his wife have a pretty cottage. Johnny has many friends here who will be glad to see him when that "half of one per cent" goes up.

JURY TRIAL OF BRUNS-BOHLING CASE IN SEPTEMBER

The trial of the case of Geo. Bruns vs. Bohling, which is the aftermath of domestic trouble which finally led to the separation of Bruns and his wife, has been set for September 7th in the Superior Court of this county. Plaintiff, Geo. Bruns has demanded a jury trial, which will probably be somewhat sensational. The parties in the controversy were former neighbors in El Verano.

Business Changes in Sonoma

Gus Marcy and E. Peterson will succeed J. G. Marcy, pioneer plumber, in the business on Broadway. Gus has been filling a fine position in San Francisco. Mr. Peterson is the well-known ex-service man.

Harry Fine and Inez Ross will open a restaurant and lunch room in the Venni building. They will specialize on fine coffee, home-made pies and other "eats."

EXCEPTIONAL OFFER

The Oakland Tribune, daily and Sunday, by mail, $9.75 with the Sonoma Index-Tribune. Sample copies on request.

PARENT-TEACHERS' MEETING AT EL VERANO

The Parent-Teachers' meeting will be held at El Verano on the 15th inst. Prof. Golton and Mrs. Kate Hill will speak. Permanent officers will be elected.

Grandsons of a Pioneer Sonoman

One of Otto Von Geldern's sons is county engineer of Sutter county, in this state, and is making a fine record. His other two sons are physicians, like their grandfather, who was a doctor in Sonoma in the early fifties. News of this pioneer family is always of interest to old-timers.

Attended Wedding of Niece

Mrs. Gilbert of First street west went to San Francisco Wednesday to attend the wedding of her niece, Eileen, daughter of Robert Gilbert. A wedding dinner at the St. Germain followed the ceremony.

One "cawnt" be too careful of their Associations. A local paper just reported that belated members of the Sonoma Business Men's Association "struggled in" and that the acting secretary was "loaded to the gunnels." Some jackass that!

A symbol of correct lubrication

A ZEROLENE DISC is the identifying mark of high-grade lubricants, the symbol of an efficiency in the manufacture of fine lubricants hard to duplicate elsewhere in the world. Zerolene *is* Correct Lubrication.

Follow the recommendations of our Board of Lubrication Engineers embodied in the Zerolene Correct Lubrication Chart. There's a grade of Zerolene for the Correct Lubrication of your engine. Ask for a Chart for your car.
